**Fighting access to health inequalities by improving
health worker retention and task shifting policies**

INTERMEDIATE EVENT OF THE HEALTH WORKFORCE PROJECTS CLUSTER

Tuesday 29th March 2022, 2.30 – 4.30pm, Brussels time

Dear colleague,

We invite you to join this webinar where the **first results** of the Health Workforce Projects Cluster on EU Health Policy Platform will be presented.

The aim of this webinar is to share information on the progress of the projects that aim to provide supporting tools, practical guidelines and to improve sharing of best practices that can help Member States to design and implement their policies related to health workforce retention, task-shifting and tackling regional medical deserts. Contribution from key stakeholders to the policy dialogue is essential to advance on these challenging issues.

The Health Workforce Projects Cluster covers **five EU co-funded projects** under the umbrella of the 3rd Health Programme. The projects focus on three key topics - medical deserts, task shifting and retention policies - that will be investigated thoroughly and internationally in the coming years.

Projects of the Health Workforce Projects Cluster:

- Action for Health and Equity - Addressing Medical Deserts: [AHEAD](#)
- MEnTal hEalth: fOCus on Retention of healthcare workers: [METEOR](#)
- prOmoting evidence-bASed rEformS: [OASES](#)
- Empowering EU health policies on Task SHifting: [TaSHI](#)
- A Roadmap OUT of mEdical deserts into supportive Health WorkForce initiatives and policies: [ROUTE-HWF](#)

Register now to the webinar following this [link](#). Once registered, you will receive a confirmation email from Webex, with the link and the registration ID to join this event.

We are looking forward to welcoming you online!
